Questions concerning the procedures should be directed to the student's advisor or the Program Coordinator of the ASL/English Interpreting Program. The following are admission, monitoring and exit procedures and requirements for all students who major in ASL/English Interpreting at Bloomsburg University. In setting these requirements, attention was given to all national standards and criteria for interpreter candidates.

**ADMISSION TO CANDIDACY**

Transfer applicants will complete their candidacy requirements at a later date to be established once accepted into the major. The faculty of the American Sign Language/English Interpreting Program will review the submitted documents. Enrollment in upper division interpreting coursework (300 and 400 level courses) is contingent upon completion of the candidacy requirements and an ASLPI score of 2 or higher.
