

## **Transfer-out Rates for Students Receiving Athletically Related Student Aid (Student Right-to-Know Act)**

Federal guidelines indicate “An institution that determines that its mission includes providing substantial preparation for students to enroll in another Title IV, HEA-eligible institution must disclose a transfer-out rate for each cohort.” The transfer-out rates for students receiving athletically related student aid isn’t tracked or reported by Bloomsburg University because preparing students to transfer-out isn’t part of the University’s mission.
