**Career Goals**

Instructions:

Please use the question(s) and additional instructions below to describe your career goals. Your written career goals will be evaluated by the Department of Nursing MSN Admissions Committee, as part of the criterion for selection into the Nurse Practitioner Program.

Please respond to the following in narrative form. Your response should not exceed two (2) pages, doubled spaced, with one-inch margins, and at least a 12 pitch font.

Describe your personal career goals upon completion of the MSN Nurse Practitioner degree. Include (1) where you plan to practice, (2) the variety of services you wish to provide, and (3) the type of clients you hope to serve. Additionally, please describe how the program will assist you in achieving your career goals and explain how your professional goals will align with the outcomes of the Nurse Practitioner Program at Bloomsburg University (see link on MSN webpage <http://www.bloomu.edu/gradschool/nursing> ).
