# Commencement

CONVOCATIONS

May 9, 2024, Thomas Fieldhouse  
May 11, 2024, Hubert Jack Stadium

Please be informed that all candidates for degrees and all honors designated for degrees earned are determined according to the academic record that includes the student's last semester which becomes official once all grades have been submitted and posted. A student's receipt of degree and the declaration of related honors must be confirmed and validated by the final transcript.

In all cases, the actual awarding of a degree by the university is subject to verification by the registrar. Time limitations associated with commencement make such verification before this ceremony impossible. Therefore these exercises are to be considered as ceremonial only.

The views or opinions expressed by the guest speakers at today's commencement are their own and do not necessarily represent the views or opinions of Commonwealth University.

# THE UNIVERSITY

**T**he history of Lock Haven University is the story of the creation of a climate conducive for teaching and learning.

The Central State Normal School, a private corporation until it was legally conveyed to the Commonwealth of Pennsylvania in 1914, was founded in 1870 and chartered to prepare teachers for the public schools. Subsequently, changes in its mission led to changes in name, to State Teachers College at Lock Haven (1926), to Lock Haven State College (1960), to Lock Haven University of Pennsylvania (1983). The last name change occurred when the State System of Higher Education was created and Lock Haven University joined the 13 other universities within the State System.

Gradually, the scope of our commitment to education has broadened. Emphasis was first given to Elementary Education, with Kindergarten and Primary grades, Intermediate and Junior High levels, and Secondary Education added later. When the Commonwealth moved beyond the concept

of an exclusively teacher's college after 1960, Lock Haven State College became a dual purpose institution with undergraduate curricula in both education and the liberal arts. Graduate programs were instituted after the formation of the State System.

Not only has the mission and vision of Lock Haven University expanded over the years, but also the physical environment and facilities have seen extensive changes. Due to increases in numbers of students, from approximately 600 in the 1940s to over 2,000 in 1970, and current enrollments at approximately 3,425 students, the campus has been modernized with the addition of many new buildings and residence halls, as well as an extensive library collection housed in technologically current facilities.

Lock Haven integrated with Bloomsburg and Mansfield universities to form Commonwealth University of Pennsylvania in 2022.

## UNIVERSITY MACE

**D**erived from the French *masse*, or club, the mace was once a fierce battle weapon used during the Middle Ages. Over time it lost its war-like image and became a symbol of peaceful leadership when kings removed the spikes from their maces and encrusted them with jewels and precious metals for ceremonial use. Since then, the mace has been used in ceremonial processions as a symbol of authority.

Lock Haven has two maces fashioned from the wood from old Sullivan Hall, which once stood on the present site of Stevenson Library. Carried by co-marshals, the maces indicate that the activity is an official function of the University.

Kings used the scepter as a symbol of their power and authority, while warriors wielded the mace as a weapon to prove their strength and superiority on the battlefield.

European universities combined these two symbols into an academic mace or ceremonial staff that demonstrated the authority and right of academic institutions to grant degrees to candidates who had earned that privilege. Colleges and universities in the United States gradually adopted this tradition.

# THE ALUMNI ASSOCIATION

# LOCK HAVEN ALMA MATER

Where the crystal Susquehanna  
Shimmers in the sun;  
Where the mountains cast their shadows  
When the day is done;  
Where the hemlock pine and maple  
Murmur in the night;  
Beneath the starlight sky till dawning  
Brings the morning light.  
There's Lock Haven Alma Mater,  
Cherished as in days long past!  
May we be worthy sons and daughters  
Long as life shall last!  
Where the ivied tower measures  
Time for work and plan;  
Time for sports and songs and laughter  
Through each pleasant day  
Where enduring friendships flourish  
Sturdy through the years;  
Where learning leads to early wisdom  
Substance of careers.  
There's Lock Haven Alma Mater,  
Cherished as in days long past!  
May we be worthy sons and daughters  
Long as life shall last!
