

LOCK HAVEN

SPRING 2025

Commencement

CONVOCATIONS

Friday, May 16, 2025, Thomas Fieldhouse
Saturday, May 17, 2025, Hubert Jack Stadium

GENERAL INFORMATION

Please be informed that all candidates for degrees and all honors designated for degrees earned are determined according to the academic record that includes the student's last semester which becomes official once all grades have been submitted and posted. A student's receipt of degree and the declaration of related honors must be confirmed and validated by the final transcript.

In all cases, the actual awarding of a degree by the university is subject to verification by the registrar. Time limitations associated with commencement make such verification before this ceremony impossible. Therefore these exercises are to be considered as ceremonial only.

The views or opinions expressed by the guest speakers at today's commencement are their own and do not necessarily represent the views or opinions of Commonwealth University.

ACADEMIC REGALIA

The traditional academic regalia worn at commencement exercises is a record of the academic achievement of that individual.

Its use originated at English and European universities during the twelfth and thirteenth centuries.

The long gown evolved from the monk's habit. The hood evolved from the cowl that the monks wore over their heads. Today's mortarboard can be traced to the skull caps worn by the churchmen.

The colorful hoods designate the degree of the wearer, the subject in which the degree is held, and the institution that awarded the degree. The color of the velvet band on each hood and robe represent a scholar's field of learning, while the official colors of the school awarding the degree always are shown in the lining of the hood and, sometimes, by the distinctive color of the gown. Bloomsburg University colors are maroon and gold.

As institutions of higher learning were established in America, beginning with Harvard College in 1636, the universities followed the English precedent in which each developed its own version of academic dress. As has been the case with the British universities, there was virtually no conformity from one institution to another and sometimes not even within institutions. College and university administrators, sensing a need for

uniformity, convened in 1895 to develop a uniform code of academic regalia. Still in use by most American institutions, the code has been reviewed and revised only twice.

The colors for academic fields established by the American Council on Education include:

Agriculture Maize
Arts, Letters, Humanities White
Commerce, Accountancy, Business Drab
Dentistry Lilac
Economics Copper
Education Light Blue
Engineering Orange
Fine Arts, including Architecture Brown
Forestry Russet
Journalism Crimson
Law Purple
Library Science Lemon
Medicine Green
Music Pink
Nursing Apricot
Oratory (Speech) Silver Gray
Pharmacy Olive Green
Philosophy Dark Blue
Physical Education Sage Green
Public Administration,
including Foreign Service Peacock Blue
Public Health Salmon Pink
Science Golden Yellow
Social Work Citron
Theology Scarlet
Veterinary Science Gray

UNDERGRADUATE COMMENCEMENT SPEAKER

Ed Shifflett, Ph.D.

Co-owner, AlphaGroup Medical Communications

Ed Shifflett, Ph.D., is a tenured scientific communications executive with more than 20 years' experience in the pharmaceutical industry.

As a co-owner of AlphaGroup Medical Communications, Shifflett helped grow the start-up entity to a multimillion-dollar company and successful sale to Red Nucleus in 2022, where he has remained onboard as EVP of Strategic Account Development.

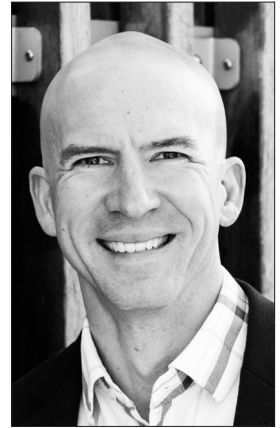

Shifflett is passionate about fostering a culture of collaboration and learning. His colleagues describe him as self-motivated, positive, thoughtful, inclusive, communicative, trustworthy, and calm. Says one colleague: "Ed embodies the qualities of a true partner and team player. I am honored to work with Ed. He's constantly smiling and always making everyone feel comfortable."

Shifflett received a Bachelor of Science Degree in Health Science from Lock Haven University, a Master of Science Degree in Exercise Physiology

from Virginia Tech, and a Ph.D. in Physiology from North Carolina State University. He also completed a Postdoctoral Fellowship in Gastroenterology at the University of Illinois-Chicago Medical School.

Shifflett has a deep love for sports, including Lock Haven wrestling, and is a six-time Ironman Triathlon finisher.

He also has a passion for giving back to the community through various philanthropic efforts, having served as a board member of the Suburban Seahawks Swim Club, the LHU Alumni Board, and the LHU Foundation.

THE ALUMNI ASSOCIATION

The Lock Haven University Alumni Association congratulates all of today's graduates, and we welcome each of you as our newest members of the LHU Alumni Association.

Originally formed in 1886, the LHU Alumni Association consists of more than 37,000 living alumni and, provides programs, services and other engagement opportunities that complement, enhance and serve the university's strategic priorities and philanthropic goals.

All graduates are considered members of the LHU Alumni Association upon receiving their diploma. While your student experience at LHU has reached its culmination, we hope you'll always remember The Haven as your "Forever Home," and that you'll "Come Home to The Haven" for

Homecoming and reunions with friends often. We also encourage you to consider supporting future generations of Bald Eagles who become members of The Haven Family, and choose to make LHU their Forever Home too!

You can stay on top of all of the fun and exciting Haven Happenings throughout the year on the alumni webpage (www.lockhaven.edu/alumni), and be sure to check your email inbox for the Alumni Association's monthly e-newsletter, invitations to regional alumni events and exclusive networking opportunities, and information on career and professional development resources available to alumni through LHU's online career management system, Handshake. You can also follow us on Facebook, Instagram, Twitter, YouTube and LinkedIn (@LHUAlumni).

UNIVERSITY MACE

Derived from the French masse, or club, the mace was once a fierce battle weapon used during the Middle Ages. Over time it lost its war-like image and became a symbol of peaceful leadership when kings removed the spikes from their maces and encrusted them with jewels and precious metals for ceremonial use. Since then, the mace has been used in ceremonial processions as a symbol of authority.

Lock Haven has two maces fashioned from the wood from old Sullivan Hall, which once stood on the present site of Stevenson Library. Carried by co-marshals, the maces indicate that the activity is an official function of the University.

Kings used the scepter as a symbol of their power and authority, while warriors wielded the mace as a weapon to prove their strength and superiority on the battlefield.

European universities combined these two symbols into an academic mace or ceremonial staff that demonstrated the authority and right of academic institutions to grant degrees to candidates who had earned that privilege. Colleges and universities in the United States gradually adopted this tradition.

LOCK HAVEN ALMA MATER

Where the crystal Susquehanna
Shimmers in the sun;
Where the mountains cast their shadows
When the day is done;
Where the hemlock pine and maple
Murmur in the night;
Beneath the starlight sky till dawning
Brings the morning light.
There's Lock Haven Alma Mater,
Cherished as in days long past!
May we be worthy sons and daughters
Long as life shall last!
Where the ivied tower measures
Time for work and plan;
Time for sports and songs and laughter
Through each pleasant day
Where enduring friendships flourish
Sturdy through the years;
Where learning leads to early wisdom
Substance of careers.
There's Lock Haven Alma Mater,
Cherished as in days long past!
May we be worthy sons and daughters
Long as life shall last!
