My Experience at Lock Haven

Through clubs and organizations

- **Full Gospel Fellowship**
 - Challenges me to grow not just in faith but also in daily life
 - It's a space to learn, teach and apply all in the same atmosphere
- **Student Government**
 - It's a space that teaches me to work as a team despite different opinions and beliefs
 - Helps me stay focused on the bigger picture and not myself
- **Rock Climbing Club**
 - Found a positive and encouraging community within this club
 - We all help challenge and encourage each other to become better climbers and better people
- **Student Auxiliary Services (SAS Board)**
 - Served for 3 semesters before being a trustee
 - I learned the importance of self sacrifice for the betterment of the university
 - I learned how money can affect athletics and clubs

Future Plans & Career Path

- Further my education and career path by attending graduate school
- A career that enables me to teach and help equip the next generation
- Ultimate plan is to be a role model for young teenagers to look up to and help mentor them and help them understand who they are and who they can become
