Positive Student Feedback

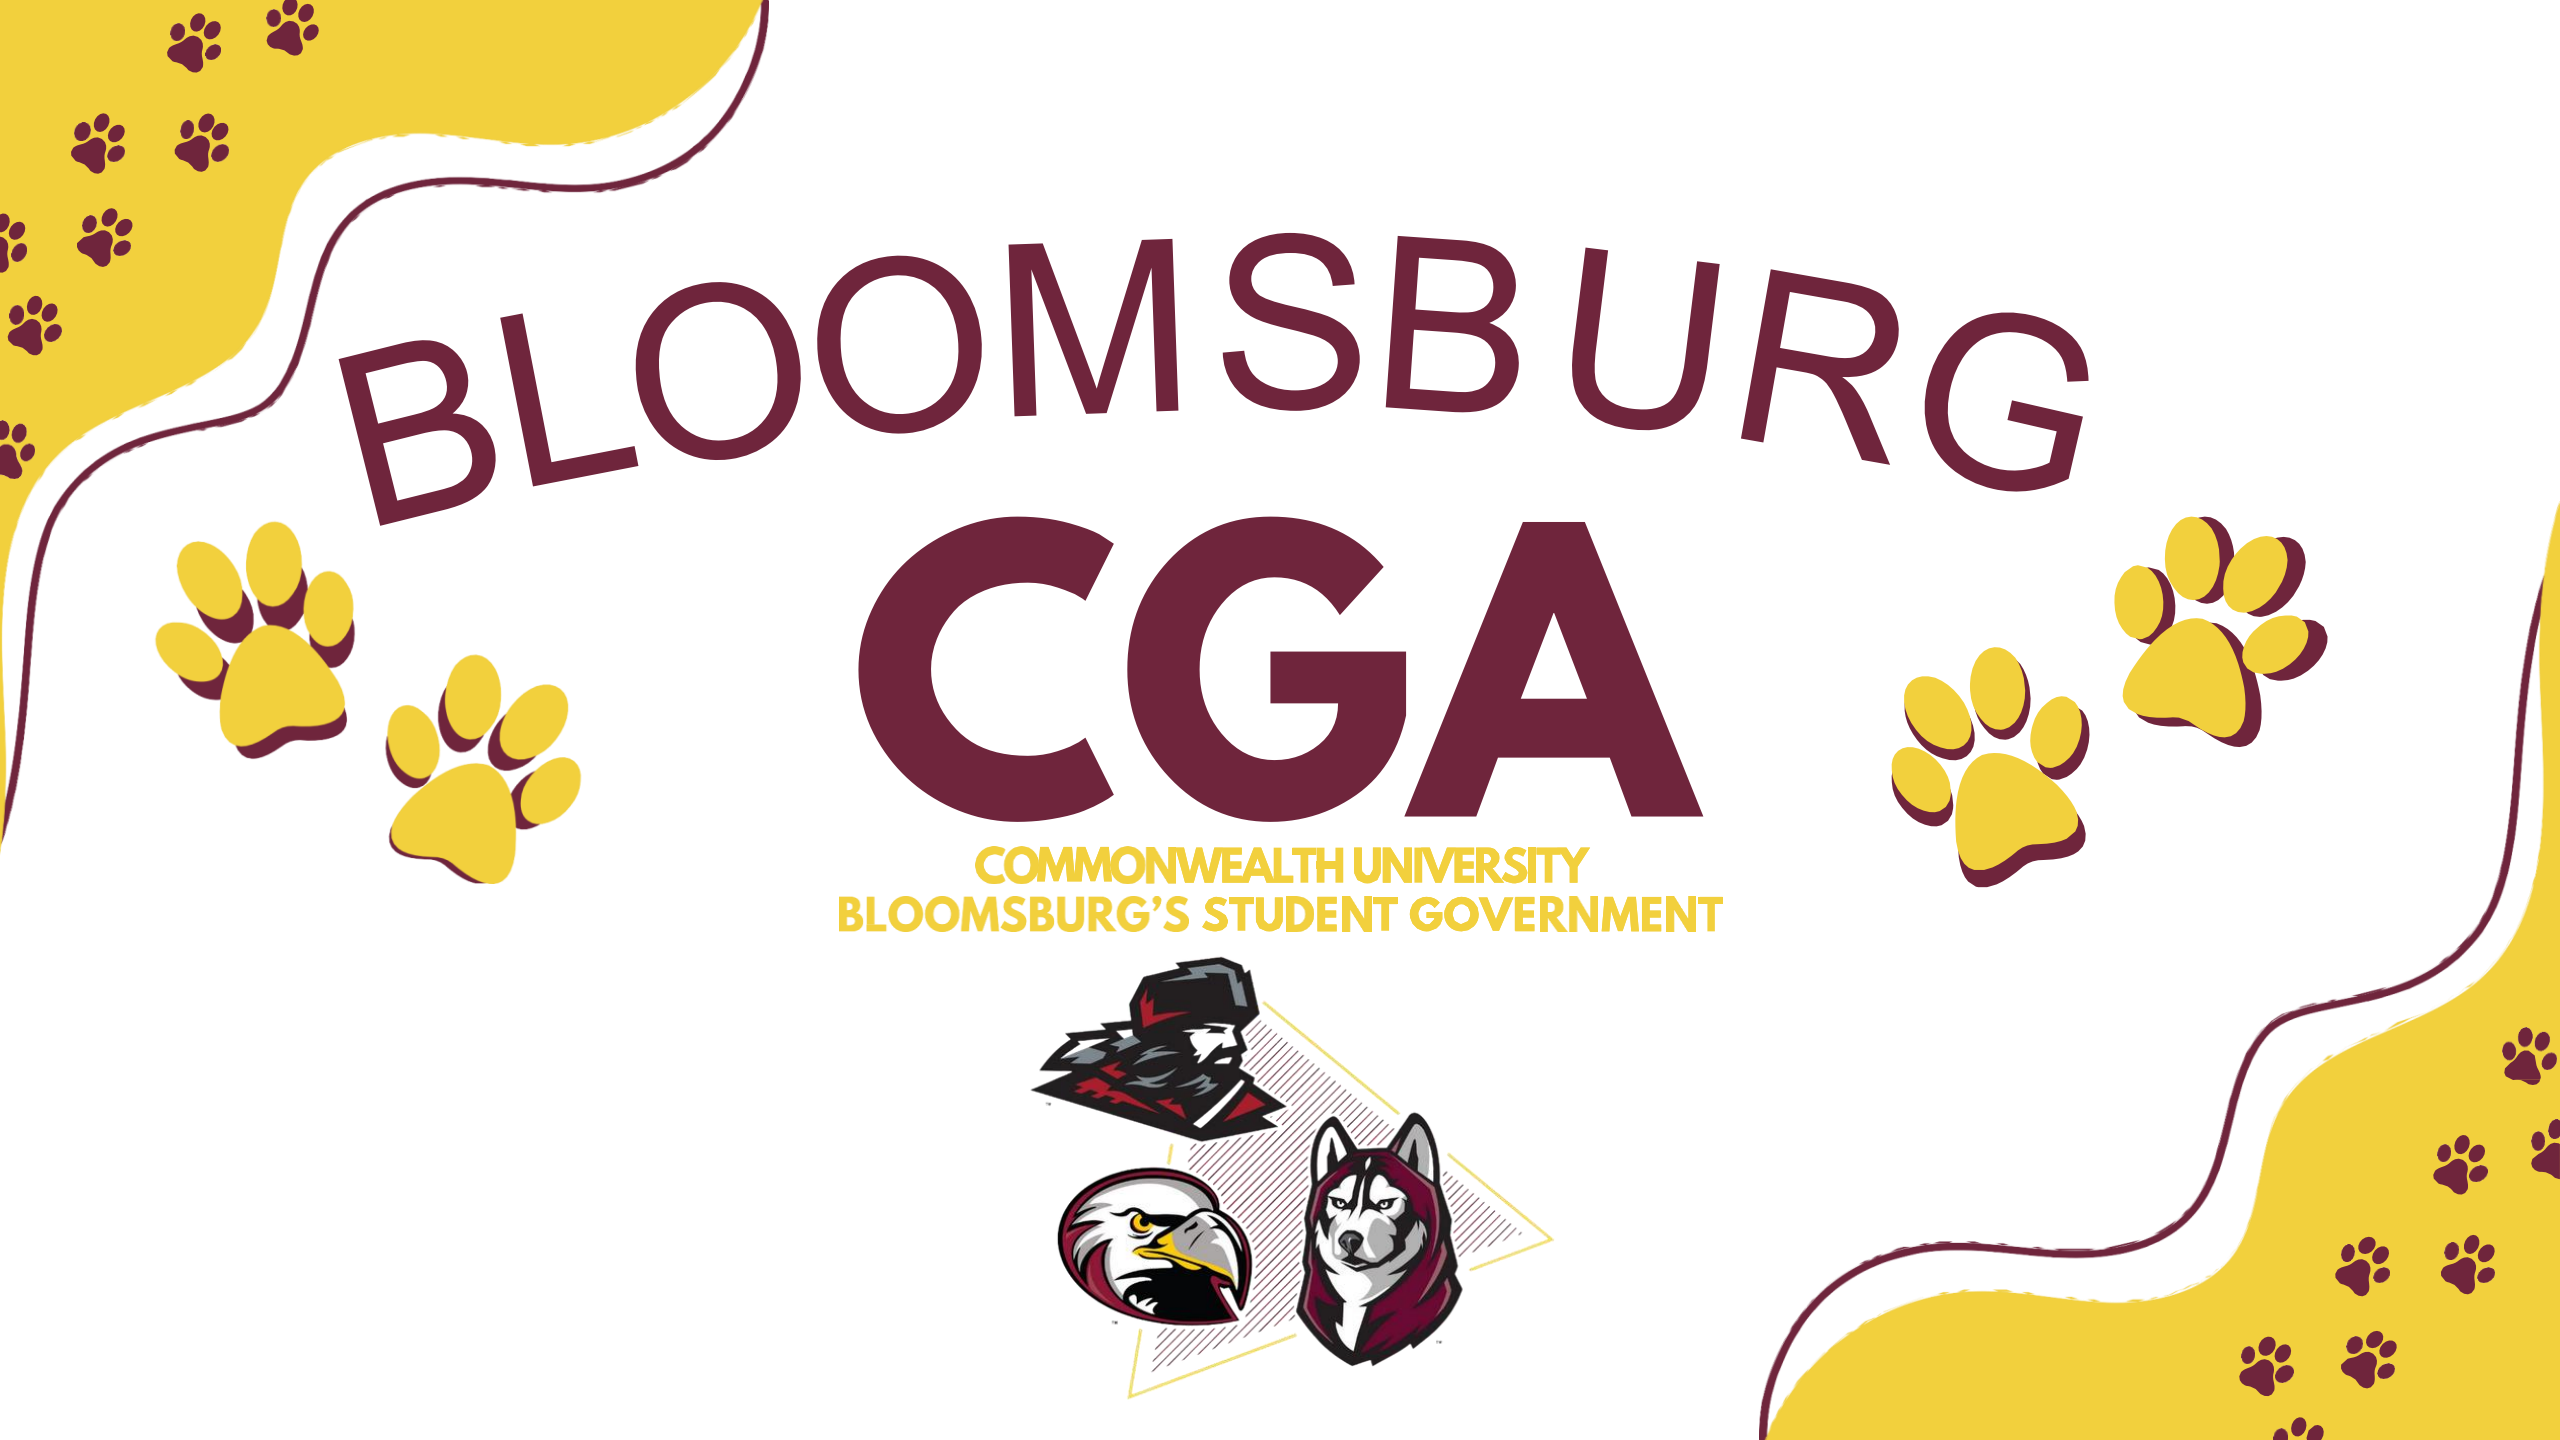

- Students like the clubs and organizations offered on campus
 - Students enjoy the events put on by clubs and organizations (HAC, SGB, DEIB)
- Students enjoy the small campus experience
 - Small Student-to-Faculty Ratio
 - Enjoy the campus environment
 - Campus is a safe and welcoming environment
 - Students enjoy the campus atmosphere
- Students appreciate improved transparency and open communication with President's Office

Student Concerns

- **Classes**
 - **In-person vs. Online Classes**
 - Students would prefer that their courses be offered in person rather than online or on another campus.
 - Students prefer to take classes in-person on their home campus and do not like to travel between the campuses for their classes
 - Students feel as though professors from the other campuses are biased against them/treat them differently than students on their home campus
 - Repeated comments of just come to (insert campus)
 - Passive aggressive emails and feedback
- **Lack of food availability on East Campus**
 - Many students have most classes at East Campus and cannot make it up to Bentley
