

Technical Leadership

Bachelor of Applied Science (BAS)

This degree map is based on the 2023-24 Academic Catalog and is subject to change. Students should meet with their academic advisor each semester and use Degree Works to monitor their individual progress toward degree completion. The time it takes to earn a degree will vary based on several factors including summer/winter enrollment, dual enrollment, and the number of courses successfully completed each semester. We recommend taking a minimum of 15 credits each fall and spring semester.
