In Attendance (in person): B. Lint, K. Verno, A. Rose, N. Bliss, N. Book, M. Borzok, J. Bosworth, K. Billmeyer, P. Carl, M. Cicora-Cecce, J. Crowley, D. Donlick, G. Dziuba, C. Jackson, X. Ji, J. Kagle, M. Kiec, B. Kluge, J. Knarr, N. Lefelhoc, R. MacNamara, A. McEvoy, G. Moyer, J. Osgood, L. Pifer, N. Rinnert, J. Rothermel, G. Sechrist, S. Wagner, N. Werner-Burke, J. Welch, T. Welch, L. Wiest, X. Zhou

(online): W. Barnes, A. Boswell, N. Delaney, C. D'Ortona, J. Evans, M. Feeney, H. Feldhaus, R. Goulet, S. Lee, T. Maurer, N. Mayo, B. Miller, M. Phillips, B. Rossi, K. Shelton, A. Swain, B. Thorn, K. Verno, A. Way, S. Williamson

I. Call to Order 4:02 PM

II. Approval of Minutes ([March 27, 2025 Mansfield Local Assembly Meeting](#)) (Werner-Burke, Pifer)

III. Announcements, Issues, and Updates

- A. Thank you for participating in Mountie Days and for coming out for the Temp Talk for Jeff Osgood last night (Lint)
- B. Please see [CU Senate website](#) for membership, policies, and schedule (Lint):
 - i. Everyone working together, respecting agreements
 - ii. Local Assembly discusses issues of concern to the local campus
- C. Mansfield Infrastructure and Repairs (S. Wagner):
 - i. Thank you for cooperation with the on-campus chaos, but chaos means progress
 - ii. Swan Street is being paved, should be open by tomorrow
 - iii. North Hall Roof- the property insurer says they will do spot repairs only using architectural shingles. The estimate for that was \$2.9 million, so they are asking for further investigation with a drone. Hopefully we will get to next steps within the next couple of weeks. We already bought slate, but we won't be using it.
 - iv. DGS Infrastructure project- decentralization of the steam plant (new boilers) and site water, as well as network fiber to buildings. Design is ongoing, the work will be done mostly next summer. Centralized steam plant should be offline by Oct. 1, 2026.
 - v. Joyful Happenings daycare- we have a signed contract as of today, so they are moving into the new space and target date is soon to be able to change spaces. Ryan is working with the owner for an announcement. They are interested in collaborating with the faculty and campus constituencies.
 - vi. Manser is another late start with some complications, mostly because of trying to preserve the wall on the South side. This is a big project, adding an elevator, etc.
 - vii. Retaining wall behind Allen Hall is being put out to bid in fall for summer work. Current estimate is about \$100k
 - viii. Stadium design is done, going out to bid this fall.

- ix. Space and Facilities sub-committee works on right-sizing our campuses. Also, we do not have any demolition funding. Right now, there are no buildings identified for demolition, or funding for it.
- D. Middle States (A. Way):
 - i. On June 26, Middle State reaffirmed accreditation for CU. Thank you to everyone who contributed to this
 - ii. Supplemental Information report is due in March. Provide further evidence of collection and utilization of Assessment data. Program assessment information is due soon, so please make those thoughtful, because this is the information that will be used to write the report needed to satisfy this standard.
- E. Red & Black Committee (J. Rothermel):
 - i. RBC met to plan fall program
 - ii. Next event is Spudtacular Lunch next Wed. Sept. 3, google form to sign up to bring a topping. All CU employees are welcome
 - iii. Oct 23 is the chili contest
 - iv. Nov 13 Breakfast and Banter on the third floor of the library
 - v. Holiday luncheon
 - vi. Any ideas or questions, please contact Jonathan Rothermel
- F. Senate Scholarship (B. Lint):
 - i. Currently, 16 faculty are funding this scholarship through payroll deduction
 - ii. We plan to research this and get more information
- G. Strat Comm & Marketing Update (R. McNamara):
 - i. Email went out yesterday about web updates for our departmental and faculty websites- please check them for accuracy
 - ii. If you make updates in ESS (office change, etc.), you still need to contact Strat Comm to change them on the web- the online form goes directly to the web team, or you can get trained to make changes on the web
 - 1. Upcoming trainings: Sept. 15 & Oct. 14, both at 2 PM
 - 2. Possibly offering some advanced training
 - iii. Email workshop- everyone is invited to learn how to better craft emails or newsletters for a larger audience Sept. 22, 9-noon, and it will be recorded
 - iv. Friendly reminder- the Triad is a good resource, so please read it, so they can keep the emails down otherwise. Contact information is in the Triad for anything you might want to add. Community newsletter is going out to almost 1000, and takes info from the Triad that is pertinent for community members

IV. Senate Committee Reports

- A. Executive Committee (R. Goulet): Welcome and thank you to Mark Decker, Heidi, Nick Delaney. Many policies to review this year, and some amendments to the constitution, adding a process to assess Senate's work. Senate Exec meets next Thursday and then the Senate meets the following week
 - i. Elections Subcommittee (N. Delaney):
 - 1. Working to set up a first meeting
 - 2. Open seat on the Elections Subcommittee
 - 3. Working on a tie policy, shoring up other election issues
 - 4. Thank you to all who were able to help with the work he's been doing
 - ii. Space and Facilities Subcommittee (H. Jackson):

1. Inclement weather protocol is being discussed
- B. Academic Policy Committee (J. Kagle): first meeting is tomorrow. Several policies will be submitted for first read this semester.
 - i. Enrollment Management Subcommittee (S. Lee and M. Cicora-Cecce):
 1. Committee has not met yet, planning to submit a transfer policy for review
 2. Preliminary data, BU is down 14%, LHU 24%, and MU 10% right now from last year, total down 16%. Different process for dropping students from the rolls, so it's not exactly an accurate comparison from last year. Scholarships were reduced this year, so that had an impact
 3. Transfers are down about 8% total, MU way down, 28%
 4. Graduate programs are growing, total up 5%, 83% growth in overall grad students since integration
 5. Overall headcount down by 335, down total 3%. Retention was comparable to the past, graduate was up. FTE is similar, total 9665, trending pretty close to FTE goal in the CPP. One FTE is 15 credits UG and 12 grad
 6. Dual enrollment is up by 101 overall across CU
 7. Introduce Mollie Cicora-Cecce:
 - a. Working on getting events ready for fall
 - b. VIP day Sept. 27 for early admit students
 - c. Oct. 2 College Day brings about 400 local high school students to campus
 - d. Health Science open house, general open houses upcoming, as well as Major Showcase days. If you are able to host a showcase day, please reach out, these are important
 - e. Weekdays plus 2 weekends/month and some night tours being offered
 - f. Virtual events also upcoming
 - g. Do we track data on transfers between the three campuses?
 - h. Grad assistants could be a big help for work on this campus- is this a possibility for us?
 - ii. IT Subcommittee (S. Ji / G. Dziuba):
 1. No report, meeting is set
- C. Advancement Committee (K. Billmeyer): No Report
 - i. MUMF endowment has increased from \$943k in 2023 to \$1.989 million in 2025, plus many major gifts, endowed scholarships, etc.
- D. DEI Committee (C. Cummings / A. McEvoy):
 - i. Committee met, draft on policy of Time, Place, and Manner of Expressive Activities will go to Senate Exec next week
 - ii. Working on ADA policy
 - iii. Monthly meetings scheduled
- E. Finance Committee (T. Welch): No Report
- F. Student Affairs Committee (H. Jackson): No Report
 - i. First Year Experience Subcommittee (L. Pifer):
 1. FYE had a retreat in June, trying to save the 3 credit FYS. New cap of 50-ish. Most of the sections were full in the summer, but there's been some melt. Most classes are still up over 40
 2. Doing a flexible schedule to try to facilitate smaller communities
 3. Students survey pre- and post-semester, post-semester instructor assessment

V. Constituency Reports

- A. Alumni and Professional Engagement (D. Donlick and N. Lefelhoc):
 - i. Moved to 212 South Hall
 - ii. Busy semester- see the attached slides. CASSH Con 10/1-2, Career Expo for Gov't, Non-profit, and Human Services 10/22, Career Intensive Boot Camp 11/14-15. All information is in Handshake
 - iii. Professional Experience Grants to help offset the costs for career-related experiences, workshops each Monday in September, leading up to the Oct. 1 deadline for full consideration for a winter or spring experience.
 - iv. Homecoming Sept. 26-28, alumni and community activities, looking for more campus entries for the parade
- B. Athletics (J. Evans):
 - i. No competitions yet
 - ii. Women's Softball team had a 3.74 QPA
 - iii. Homecoming weekend
- C. Center for Teaching and Learning (J. Demchak): No Report, upcoming schedule of fall events attached
- D. Student Government Association (J. Knarr and N. Bliss):
 - i. First meeting is this evening, looking to fill positions on committees and have influence on campus
- E. Campus Administrator (G. Sechrist):
 - i. College colors day tomorrow
 - ii. COPLAC conference Oct. 17&18 application due Sept. 19, CU covers cost to send students
 - iii. South Hall ground floor is now full of activity. Things are going to continue to be moved to keep people together more and make more high-traffic areas
- F. Provost (M. Kiec):
 - i. If you are interested in joining a group about development and working to right-size MU, talk to Adrienne
- G. Budget Update (B. Thorn):
 - i. CPP has a Fall estimate, a spring update, and a final update- the May projected deficit of about \$18 million ended up being about \$13 million. Office of the Chancellor contributed about \$1.4 million toward health care cost increases, and some other miscellaneous revenues were up, as well as some costs being down. We will be using \$13.1 million from reserves to balance the budget from last year.
 - ii. Projections for the fall CPP are complex without a state budget, etc. Projected appropriations are reduced from the May projection, but tuition is going to increase, which reduces that somewhat. Fall CPP is due Sept. 19, so more accurate numbers will be ready in the fall. Current estimate is about a \$10.8 million deficit for this current fiscal year.
- H. President (J. Osgood):
 - i. MU is very welcoming, Convocation was nice
 - ii. Thank you for joining his open conversations
 - iii. Bob Thorn and the Provost deserve credit. We need to reach budget neutrality by 2027-2028
 - iv. We are probably back to 0-2% increases for PASSHE, in the context of over 9% increase in personnel costs Jan. 2026 to Jan. 2027 due to the contracts

- v. Priorities:
 - 1. Culture and morale
 - 2. We have to close the budget gaps
 - 3. Support Provost's program array work
 - 4. Facilities master plan- working on getting money to pay for this
- vi. The Presidents voted to use some PASSHE money to pay for some of the health care overages. We had five people who each had over \$1 million in health care costs, and the GLP-1's are hurting us
- vii. Finalizing Presidential leadership team, hired a firm to help
- viii. He plans to be out on campus when he's here- Zoom M and F, T-Th out on campuses

VI. Senate Policy Procedure Review: skipped

VII. Open Forum

VIII. Remarks for the Good of the Order

- A. PASSHE Summit 10/29-30, proposals are being accepted, it's at Penn West-Clarion, and there's a virtual option (N. Book)

IX. Adjournment 5:50
