

Dual Graduate Degree: MBA/MSIT

Master of Business Administration (MBA) Master of Information Technology (MS in IT)

This degree map is based on the 2025-2026 Academic Catalog and is subject to change. Students should meet with their academic advisor each semester and use Degree Works to monitor their individual progress toward degree completion. The time it takes to earn a degree will vary based on several factors including summer/winter enrollment, dual enrollment and number of courses successfully completed each semester.
