Artwork and Submission Guidelines

Deadline for online submission of work: Friday, December 19, 2025.

Please email your submissions to kcobb@commonwealthu.edu

Artwork and Eligibility

Open to all current Commonwealth University of Pennsylvania students on Bloomsburg, Lock Haven, and Mansfield campuses.

All 2-D, 3-D, Graphic Design, and Motion-based media are eligible. Work must have been done during your time at Commonwealth University, and that has not been exhibited in the Loomis Gallery before this exhibition.

There is a submission limit of 3 pieces per student.

No work containing living or short-duration perishable materials will be accepted, i.e., plants, foodstuffs, etc.

Digital work that is motion-based or animated must be saved in MP4 format.

2-D and Graphic Design work should not exceed 48 inches in any direction or 80 lbs.

3-D work should not exceed 48 inches in any direction.

How it Works

All work is to be submitted by December 12, 2025, at midnight, and will be juried by their digital image for inclusion into the exhibition by an outside juror.

Artists will be notified by email if their work is accepted by January 1, 2026.

Artists who are accepted will then be required to prepare their work for presentation over the remainder of the winter break.

2-D works are to be matted, framed, and 'ready to hang' with either hanging wire or other alternate form of professional presentation. If an alternate form of hanging is required, hanging materials must be provided with your submission of work along with a description on how to hang/present the work for exhibition. Consult your major professor if you need assistance.

3-D artworks should be prepared/cleaned for presentation and ready to stand or display on their own.

The juror will then decide upon the placement award winners in person once the exhibition is installed.

The juror for this year's exhibition will be Christian Carson from Brockport, NY. <https://christiancarson.com/>
