  - i. Welcome back to SGA. Last week we discussed fireside chats, we will talk with residence life about it soon. If you have recommendations for a faculty member, let us know.
  - ii. We had a meeting with Jodi and Stacy from CCSI, and they had to cut our budgets due to many factors and data. We are going to have them

come to a meeting in the future to discuss that. We are sitting around 75000 for all clubs and organizations which is a large decrease. If your club would like funding COF is always available.

b. Vice President (Natalie Bliss)

- i. If you need a committee, come and talk to me. There are some that would be great to share your voice as a student that needs members.
- ii. It is important for clubs to have a representative in the house, so if you know of a club that does not have a rep, let them know.

c. Treasurer (Cody Ranck)

- i. COF Balance: - \$11,000
- ii. SGA Balance: - \$53,100
- iii. Our total budget is \$890,000 for the whole campus, including athletics, clubs, etc. The COF balance will mostly be on an emergency basis. We met with Jodi and Stacy, and we did not receive the full breakdown of all the budgets, but that should be coming soon. They weren't able to meet with us based on the number we had last semester, so they looked at the data as for what budgets were cut. Please have any organization leaders to come to the meeting to explain why cuts were made. They can tell you, I cannot. Additionally, if you join COF, you can learn more as to what goes into these decisions. We are hoping to have a meeting with them within the next two weeks.

d. Parliamentarian (Daniel Storrs)

- f. Secretary (Ethan Hinshaw)
  - i. If you cannot attend a meeting, please send your excuses to me. We will be placing an emphasis on attendance this year, so you may want to check the bylaws available on our website.
