

NURSING

Associate of Science in Nursing (ASN)

This degree map is based on the 2023-24 Academic Catalog and is subject to change. Students should meet with their academic advisor each semester and use Degree Works to monitor their individual progress toward degree completion. The time it takes to earn a degree will vary based on several factors including summer/winter enrollment, dual enrollment and number of courses successfully completed each semester. We recommend taking a minimum of 15 credits each fall and spring semester.

LPN Advanced Placement

LPN's may advance place into the second year of the ASN program by successfully completing all year one general education courses and meeting the minimum requirement for the standardized exams to test out of NURS 101 and NURS 102. LPNs who meet the minimum required score for the Foundations exam, but not the Maternal/Newborn exam, can begin studies in the spring of the first year.

Winter/Summer College - Optional

While not required, Winter and Summer sessions are offered each year and may help you stay on track or get ahead. You may take up to three (3) credits during Winter College and up to six (6) credits during Summer College.
