

2+2 (1st 2 Years Lock Haven/Mansfield, Last 2 years Bloomsburg)**Degree: Bachelor of Science in Audiology and Speech Pathology**

This degree map is based on the current Academic Catalog and is subject to change. Please note that the degree map is designed to give you a sense of roughly how courses might be distributed over a 4-year degree. Your exact schedule will differ depending on a range of factors though we recommend taking a minimum of 15 credits each fall and spring semester. Regular consultation with your academic advisor is the best way to make sure that you are taking the courses you need in the right order to ensure efficient progress through your degree program.
