

Accelerated BS in Sport Management to MS in Sport Management – Sport Management Concentration

This degree map is based on the current Academic Catalog and is subject to change. Please note that the degree map is designed to give you a sense of roughly how courses might be distributed over a 4-year degree. Your exact schedule will differ depending on a range of factors though we recommend taking a minimum of 15 credits each fall and spring semester. Regular consultation with your academic advisor is the best way to make sure that you are taking the courses you need in the right order to ensure efficient progress through your degree program.

Degree Requirements

All students must obtain a minimum of 138 credits, complete all General Education requirements, and all requirements for the selected undergraduate major, as well as for the Graduate Program. Meet with your advisor and consult Degree Works to monitor your progress and for all graduation requirements.

A minimum GPA of 3.0 in the major and Graduate Program overall are required.

Winter/Summer College - Optional

While not required, Winter and Summer sessions are offered each year and may help you stay on track or get ahead. You may take up to seven (7) credits during Winter College and up to 14 credits during Summer College. At the Graduate level, summer/winter classes may be required to graduate in a timely manner.
